Parish registration is required for participation in the SVdP religious education program. These forms can be obtained in the narthex of the church, the parish office or at our web page.

Participation in the religious education program is only one part of your family’s responsibility as members of the St. Vincent de Paul Catholic Church community. At Baptism you, as parents or godparents, promised to bring your child up in the Catholic faith; that means **teaching him/her how to pray, how to worship, and how to serve others.**

We must also answer our call as baptized Christians to be disciples of Jesus. The life of a Christian steward models the life of Jesus. We must live our lives based on the principles of Christian discipleship – that everything we have is a gift from God to be cultivated, shared with others and returned to the Lord with increase. We must practice Stewardship of Finances, Time and Talent in our homes, our community, our workplace and in our parish.

We are asking for your commitment: attendance at Holy Mass every weekend, active participation in the religious education program and donation of your time and talent. God will delight in you and bless you in return.
