## From St. Faustina's Diary

*Spiritual Mercy  
Meditation*

I understand Your words, Lord, and the magnitude of the mercy that ought to shine in my soul. **Jesus: I know, My daughter, that you understand it and that you do everything within your power. But write this for the many souls who are often worried because they do not have the material means with which to carry out an act of mercy. Yet spiritual mercy, which requires neither permissions nor storehouses, is much more meritorious and is within the grasp of every soul. If a soul does not exercise mercy somehow or other, it will not obtain My mercy on the day of judgment** (Diary, 1317).

*My Prayer Response With St. Faustina*

My Jesus, thank You for teaching us through St. Faustina about "spiritual mercies" when we do not have material goods to give. We can always encourage others by our word, by our prayer, and by our kindness — and especially by sacrifice lovingly accomplished, which You, Jesus, called exercising mercy in spirit (Diary, 1316).

A basket is in the narthex to collect blessed palms that were received last year on Palm Sunday. Please make every effort to return them so that they may be reverently burned or buried.

During warm weather, the property is mowed weekly. Volunteers will be on a rotating schedule, and normally will each mow the lawn once a month. Please notify Al Stumm or the parish office if you would like to volunteer.

### Gospel Reading

Sunday, March 2, 2025—*Luke 6:39-45*

*Each tree is known by its yield.*

The third and final section of Luke's Sermon on the Plain begins: And he told them a parable. There are actually four parables, three of which we read today. They are all about how to be a good disciple.

The blind cannot lead the blind. And a disciple cannot be a good disciple unless he or she has learned from the teacher. Everyone who is fully trained is like the teacher who knows how to cure the blind. Before you can be a good disciple and teach others you must take care of yourself. Do not try to take a speck out of your brother's eye until you have taken the board out of your own.

Finally, only when you have purified yourself can you produce the good works that the teacher requires. Discipleship asks us to produce good deeds. But to produce them requires the integrity and purity of heart found in the teacher. When people see your good deeds they will know that this is because you have a good heart.

The final parable, which we do not read today, is about building on the solid foundation of rock and not on sand. This is the only way to face the difficulties a disciple will encounter and survive.

**Pro-Life Answers to False Pro-Choice Arguments (Part X)**

*"Abortion is only used in certain unavoidable circumstances. Abortion is not used as birth control"*

When the abortion lobby was originally selling the idea of making abortion legal, they ridiculed those who said it would one day be used as birth control. They said abortion would only be used in extreme and rare cases.

Today, even statistics submitted by pro-choice organizations prove this to be a lie. The data shows, (a) only a tiny percentage of abortions are done for the so-called "hard cases" such as rape (b) approximately half of all abortions are repeat abortions and (c) over 35% of all U.S. women will have at least one abortion by age 45.

When over 3,500 babies lose their life to abortion each and every day that can hardly be described as a "rare" occurrence! Given this fact, abortion apologists have switched gears and are now selling the idea that even if abortion is used as birth control, it's a private matter and no one else's business.

Of course, it most definitely is our business, because legalized abortion has proven to be not only morally indefensible, but also a financial disaster. Our tax dollars pay for abortions and since abortion has been legal, we have been forced to bear the financial burden of skyrocketing pregnancy rates of unmarried mothers.

Most importantly, before anyone can participate in any activity derived from his or her right to privacy, we must first ask, "The privacy to do what?" In the case of abortion, we are talking about the privacy to take the life of an innocent child. Thus, the only decent view is that when one individual's "choice" or "right to privacy" will cost another human being his or her life, that choice cannot be considered a matter of privacy.

***Lenten Guidelines***

*The Catholic Church calls all believers to certain practices that emphasize the communal nature of repentance, especially during the Lenten season:*

- Abstinence from meat - This is observed on Ash Wednesday, **Good Friday**, and all the Fridays of Lent by all Catholics 14 years of age and older.
- Fasting - This is observed on **Ash Wednesday** and **Good Friday** by all Catholics who are 18 years of age, but not yet 59 years of age. Those bound by this rule may take only one full meal. Two smaller meals are permitted as necessary to maintain strength according to one's needs, but eating solid foods between meals is not permitted.
- Those who are sick, pregnant, nursing, or whose health would be adversely affected by fasting and abstinence should not consider themselves bound by these norms.

**Holy Masses for Ash Wednesday will be celebrated at 12 noon and 6:15 p.m. on March 5<sup>th</sup>.**
